

Certified Crop Adviser Exam Registration – Prairie Provinces February 2, 2018

To become certified in the Certified Crop Adviser (CCA) Program, you are required to pass both the International Exam and the Local Board Exam for the Board in which you desire certification. In addition to passing both exams, you are also required to have your work experience and educational background reviewed by your local Board before certification can be granted.

To register for the CCA exam(s) in the **Prairie Provinces**, you must complete the online exam registration form at <http://www.prairiecca.ca/exams/index.php>. You will receive a confirmation email once your registration is complete and a subsequent email approximately 2 weeks before the exam. Only on-line registrations will be accepted this year. **The deadline date to register for the CCA exam is December 8, 2017.**

PLEASE NOTE: You may cancel your exam registration at any time up to the registration deadline of December 8, 2017, and a cancellation fee of \$75.00 will apply. The exam fee is non-refundable after the registration deadline, and cannot be applied to future exam writings.
